Corporate Program

BE OUR AWESOME
CLIENT TODAY

VS Eyewear's Corporate Program offers flexibility for customization, recognizing diverse corporate needs. To tailor a plan, interested parties are encouraged to complete a Corporate questionnaire for personalized solutions benefiting both the company and its employees. We can provide access to past portals and sample forms.

Our Corporate Program includes four packages, each sharing key features: the option for HR/Purchasing or employees to place orders; free shipping with provided account (UPS or FedEx) or a \$10 flat fee; and flexible billing options: either Net 30 with check, credit card or ACH payments billed at the end of the month, or with each individual pair of glasses shipped.

We are a small company, so we can tailor the program that works best for your requirements. Every corporation wants and does something differently and with our trained staff we will incorporate the perfect program for you!

Explore our packages below. The primary distinctions between them revolve around the ordering process (Portal or Order Form), the variety of products (specific vs. any safety frames) and features available (limited or unlimited lens options).

Portal Packages

With Portal packages, customization is key. All Portals are tailored to include the exact products, payment procedures, and features that meet your preferences.

A

Standard Package

Exclusive discount off the MSRP. Choose from SPECIFIC ANSI approved safety frames. If you want to purchase any for stock, a special trial price will be offered. LIMITED lens options, materials, tints and coatings are available to purchase.

B

Classic Package

Exclusive discount off the MSRP. Choose from SPECIFIC ANSI approved safety frames. If you want to purchase any for stock, a special trial price will be offered. UNLIMITED lens options, materials, tints and coatings are available to purchase.

C

Premium Package

Exclusive discount off the MSRP. Choose ANY ANSI-approved safety frames, and enjoy UNLIMITED options for lens type, tint, material, and coatings — tailored to your preferences.

D

Exclusive Package

Exclusive discount off the MSRP. Choose ANY ANSI-approved safety frames and enjoy flexibility in lens options, LIMITED to clear or Transition tints, as well as a few lens coatings — tailored to your preferences.

Order Form Packages

For Order Form packages, we provide your company with a comprehensive order form that includes all the options you wish to make available for purchase. Your employees can then browse through the options, complete the order form, and submit it to their supervisor, HR, or purchasing department. The submitted orders are then entered into the Portal. Alternatively, order forms, along with a copy of the prescription, can be transmitted to our corporate sales team via email or fax.

E

Basic Package

Exclusive discount off the MSRP. Choose from SPECIFIC ANSI-approved safety frames. If you wish to purchase any frames for stock, a special trial price will be offered.

F

Upgrade Package

Exclusive discount off the MSRP. Choose ANY ANSI-approved safety frames.
